

HARMONY® PRO ULTRA: PREMIUM TISSUE. SUPERIOR COMFORT.

HARMONY® PRO ULTRA

There's no place like home and the comforts that come with it. So it's a good thing Resolute Tissue can bring the comforts of home into any space with our Harmony® Pro Ultra premium away-from-home tissue. This new product line provides the highest level of softness, absorbency and lush thickness through embossing and the latest tissue technology.

We care about more than comfort.

While our Harmony Pro Ultra premium virgin paper towels and bath tissue deliver an ultra-soft feel, they are also sustainable without compromising the strength and absorbency you expect. Resolute has instituted fiber tracking systems at our facilities to ensure that our wood fiber supply comes from acceptable sources such as certified forests and legal harvesting operations. The vertical integration of the production process also assures customers of the integrity of our supply chain and the long-term sustainability of our fiber supply.

We've done our job when you feel the comforts of home, even when you're away from home.

Who We Are

At Resolute Forest Products, profitability and sustainability drive our future. We are a global leader in the forest products industry with a diverse range of products, including tissue, towel, wood products, newsprint, market pulp, and specialty papers, which are marketed in close to 70 countries. The company owns or operates some 40 manufacturing facilities, as well as power generation assets, in the United States and Canada.

Resolute maintains 100% forest management and chain of custody certifications to internationally recognized standards such as Sustainable Forestry Initiative® (SFI®), Programme for the Endorsement of Forest Certification (PEFC), American Tree Farm System® (ATFS®) and Forest Stewardship Council® (FSC®). This ensures all the fiber we process comes from responsible sources.

We are proud to have received regional, North American and global recognition for our leadership in corporate social responsibility and sustainable development, as well as for our business practices.

Resolute Tissue, a business of Resolute Forest Products, operates four paper machines and 14 converting lines in Calhoun (Tennessee), and in Hialeah and Sanford (Florida). We produce branded and private-label products for at-home and away-from-home channels, and offer both virgin and recycled products, covering a wide range of grades.
